

Final Cry

35 Years on stage • 6 albums released • 10.000 records sold • to be continued

Melodic Death/Thrash

FINAL CRY from Lower Saxony have been making their mark on the German metal scene for 35 years now. **6 albums and over 10,000 records sold** are also a remarkable number for a band that has always been rooted in the underground - and has remained connected to it.

Stylistically, the band has always stood for powerful, fast metal with razor-sharp riffs that combines musical styles from the **speed & thrash** of the 80s to the dark Scandinavian **death & black metal** styles of the 90s with plenty of melody and atmosphere. The guys and the girl always manage to reinvent themselves without losing sight of their roots.

In March 2022, the scene veterans released their sixth album "The Ever-Rest" on MDD Records, a deadly-frosty mountaineering epic that is undoubtedly a highlight in the quintet's oeuvre and, with a new frontman, also opens a new chapter in the band's live history. "The Ever-Rest" brought the band worldwide reviews with top marks, as well as countless interviews in established online and print media such as **Metal Hammer, Rock Hard**, Legacy, Slam, Metal Temple, Brutalism, among others, and had already **sold over 1000 copies** by Dec. 2023. In April 2024, the originally self-released and completely sold out 2018 album "Zombique" was rereleased worldwide via MDD Records.

With their energetic live shows, the Germans know how to inspire both old and new fans, as they regularly prove both as support and with various co-/headlining shows in clubs and festivals.
